## GENERAL INFORMATION

TIME AND PLACE	Sale to start at 1:00 p.m., Monday, October 30th, 1961, at Calgary Exhibition Grounds, Calgary, Alta.
BIDS	The highest bidder shall be the buyer. The Sale is absolutely unreserved.
GUARANTEE	All animals guaranteed a breeder, and sold under the standard guarantee of the Canadian and American Shorthorn Associations.
BREEDING DATES	Will be furnished Sale Day.
HEALTH PAPERS	Supplied to take cattle anywhere. Herds fully accredited for T.B.
TERMS	Cash or half cash and balance July 1st, 1962, with 6 % interest. Wheat, oats or barley will be accepted at 25c over initial Wheat Board prices. Grain to be delivered to farm.
FREE DELIVERY	4 animals or more will be delivered free of charge to any point within 500 miles.
TORONTO ROYAL	We reserve the right to show some of the sale animals at the Toronto Royal.
TRANSPORTATION	WE will meet any planes, trains or buses if notified and will make hotel reservations.

Complete Group of Remitall Sale Heifers with Louis Latimer.

## Welcome to Our Seventh Annual

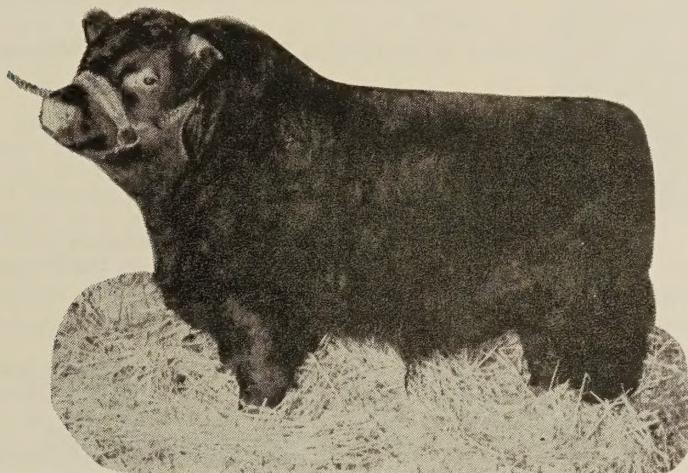

## Production Sale

We hope every Shorthorn Breeder who is interested will be with us.

It gives us a lot of satisfaction to review our offerings of the past to note how many animals out of each sale have produced well for herds into which they have gone.

Each year produces a challenge to have a stronger sale offering than before. It keeps us working far beyond just winning a ribbon or a record price. It is creating the cattle of tomorrow. To this we are dedicated and you are entitled to the very best efforts we can make.

We are convinced that beyond grading and performance testing we must present to you animals in exceptional thrift (bred in thrift). Animals that can be taken to high or low altitudes, arid or lush conditions, and make the changes of environment with ease.

Remitall Noble, purchased by C. J. Green, Wainwright, for \$2,000. (out of the same dam as Lot 23) and by the same sire as our champion pen of 5 bulls, 1961 Denver Show.

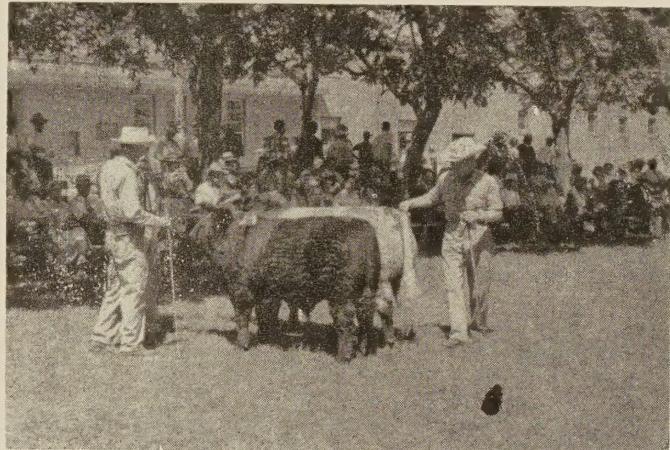

As in the past Phillip Rock again joins forces with us, and we salute his offering raised on the banks of the Red Deer River.

Due to health reasons Ian Brown had to make the last minute decision to withdraw from the Sale this year. We hope his recovery is swift and he can join us next year.

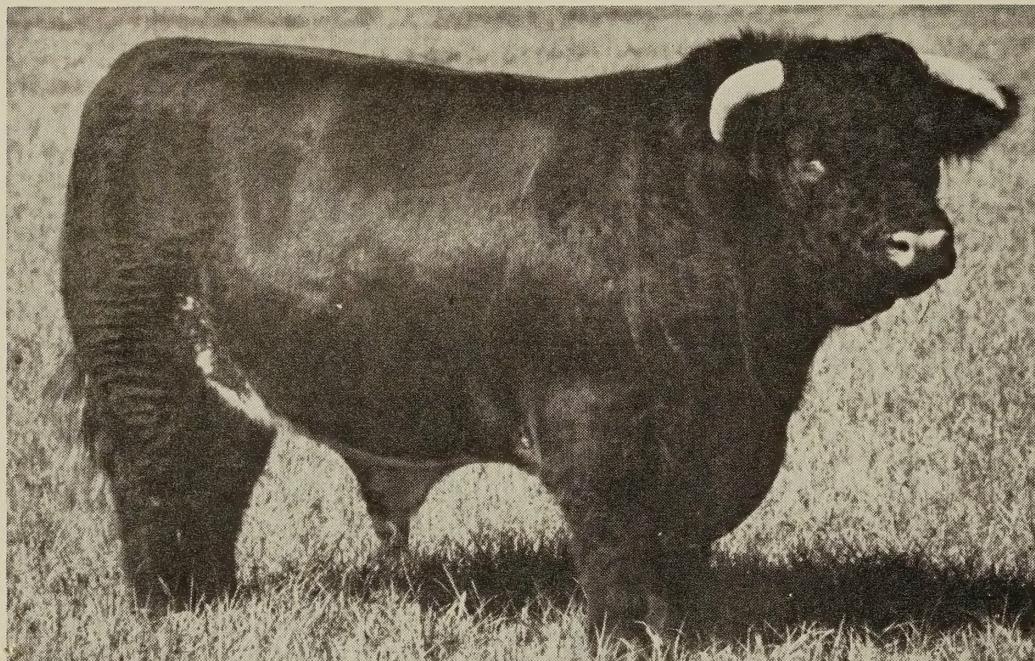

It is our pleasure to welcome Sandy Cross and Bill Cameron with their Rothney offering. I am sure this will give an offering with the strength to achieve the results and desires of every breeder that purchases them.

Whether you need cattle or not we welcome you to our Sale. We will be proud to have you and your friends and hope you enjoy the day.

LOUIS LATIMER

Remitall Show Bulls, that were outstanding breeding bulls for E. J. Richardson, Semans, Sask., and E. K. Barnsby, Abernathy, Sask. This pair were Grand Champion, Junior and Reserve Junior and first prize pair of bulls at a former Edmonton Exhibition.

We believe every great stock bull in history had to inherit that right to become great. Two bulls may be alike to the eye, but the combination of genes carried in the blood stream will enable one to become a top sire, the other to be relegated to the list of unknowns.

We were convinced Great Event was the makings of a great stock bull the moment we laid eyes on him at 3 months of age. His calves have justified our first appraisal.

Secondly, he made a strong showing. Never was he defeated in class, including the Montana State Fair and Calgary Exhibition.

Thirdly, no great bull anywhere can boast a better mother than Kelburn Clipper Beatrice 5th. If you were to make a list of great shorthorn breeding bulls, Calrossie Welcome, Calrossie Constellation, and Calrossie White Emblem would have to be among them. These are the sires behind Great Event.

Fontana Comet was purchased at three weeks of age from Fontana Farms, Lake Geneva, Wis. Comet was one of the most attractive masculine calves I had ever seen, and I could not leave without buying him. His first two daughters stood first and second at the Edmonton International Show in the junior yearling class, a son won the summer yearling class and the Reserve Junior Champion bull. His first daughter topped the International Sale at \$700 to Eldak Cattle Company, Wheatland, North Dakota. We sold his first son, Remitall Trademark, at \$2,000 to F. T. Madge, Richdale, Alta.

Remitall Trademark Reserve Champion Bull at the Provincial Shorthorn Show at Lethbridge. We are retaining a full brother of Trademark, Remitall Silver Mascot for a herd sire. Half interest at \$1,900, in Fontana Comet was purchased by N. D. Latimer and Sons, Bowden, Alta., where he has sired a great group of calves for them.

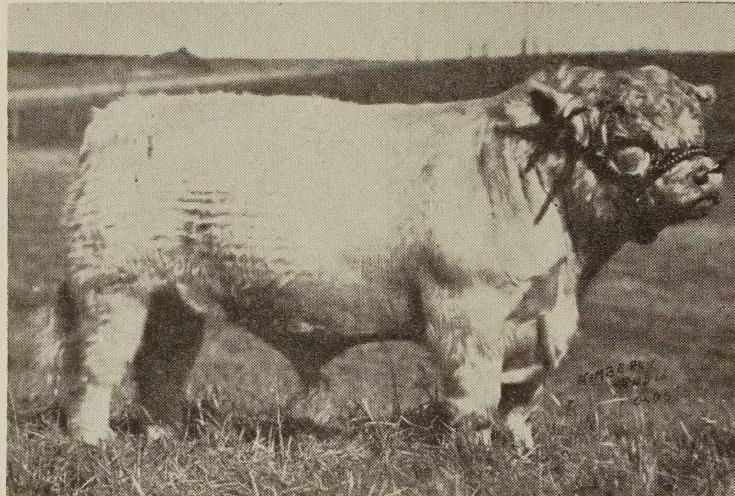

FONTANA COMET

#### HERD SIRE—

Louada Voucher by Baption Constructor, Dam by Baption Commando. We have Voucher's first calves and they give every sign that they will be asking for their limelight.

Alan Wilson of Duhamel purchased half interest in Louada Voucher. He will be used jointly in both herds. See his picture on page 15, Aug. issue of Shorthorn News.

Remitall Frosty Consort  
White, L. Latimer

Adarra Double Rosewood  
Red, F. Allonby

Remitall Beacon, our last year's cover boy. He is still that kind of a bull. He was Reserve Junior Champion at the Edmonton International Show this summer. His impressive dam is by Remitall Frosty Consort, grandsire of our Champion Pen of Five Bulls at Denver in 1961, and top selling bull there at \$1500. Also grandsire of the famous Kalstead steer that won the

Toronto Royal and sold for \$10,000. Our top selling female last year at \$1100 to Harold Frey, Oxbow, Saskatchewan, was another granddaughter. Lot 3, Remitall Gamester is a grandson. Beacon looked right when he was dropped. He has developed right; his ancestry is right. We have used him; we believe in him. How can he miss.

Remitall Broadway, Remitall Gamester, and Remitall Broadarrow - Great Event's first 3 sons.

Rannoch Costly Lily 20th  
Red, T. G. Hamilton

Remitall Broadway - the first son of Great Event. He was first place Senior Calf at the Lethbridge Provincial Show, at the Calgary Exhibition, and the Olds Fair.

If you need a big bull, if you demand one that looks like a sire, and comes by it by inheritance — he could be your answer.

Rannoch Contribution won his class twice at the Toronto Royal and Senior Champion 1955 Saskatoon International.

Not often are we fortunate enough to present 3 first sons of a sire with so much potential. These calves are so even each one in the showring has beaten each other, and still have won every senior calf class in Alberta that they were at.

Two of these calves will go to the Toronto Royal. All pictures unretouched.

Shirley Buckingham  
 Red, S. K. Berry

Jim Lees and Remitall Snow King - another chip off the old block and a heifer's first calf. The truck is a Studebaker Champ and the calf is a Remitall Champ. Our program has been to buy improving females as we could and we purchased several in the Hills dispersion. Only through this aggressive plan has it been possible to mate a herd sire to many different bloodlines. If he leaves them all good you have a sire. Both Comet and Great Event have done this. Our enthusiasm will never fail while we get calves like Snow King. He goes to the Toronto Royal.

**You Invest Your Money For Good Shorthorns; You  
Spend It For Poor Shorthorns.**

Remitall Chieften was second Junior Yearling at the Calgary Exhibition. This is the last calf from a cow that was beefed weighing 1540 lbs. We have used Chieften lightly.

Remitall Red Climax and Remitall Cavalier by Fontana Comet and Remitall Consort. Their dams are two of our most famous producers. Red Climax is the last calf of Ballechin Rose Clara (Imp.) bought at the top of the 1951 Cammaert Sale at \$1075. Her first two calves sold for \$2900. Remitall Monarch's Climax to Howard Hymas of Rosebud at \$2050. Remitall Rajah to Albert Barnhardt of Penhold privately. Remitall Galahad to Louada Farms and later to Cooper Bros. Westbend, Sask. A grandson, Remitall Frosty Consort, set the Remitall Herd on the road.

Remitall Cavalier is out of Butterfly Fancy, dam of Remitall Lady Butterfly, 1958 Calgary National Show Champion Female. Remitall Formula one of our 1960 sale tops to E. Kobi of Byemoor, and granddam of Remitall Golden Butterfly, top of our 1958 sale to Louada Farms, Ont.

ALL BY GREAT EVENT — We are sharing these identical twins with you, and will see which one does the best. Lot 13, Remitall Crystal Daisy, comes out of our prolific Daisy family. During the last year, a Daisy bull was sold to Fred Madge, Richdale at \$2000. The Denver Top to Kurt Farms, Edson, Kansas, at \$1500. A Daisy heifer topped our 1960 offering at \$1100 to Harold Frey, Oxbow, Sask. Another Daisy heifer in the same sale at \$1000 to Les Sauer, Lacrosse, Wash. These are top stockmen and they demand the best. There is nothing we would change in her inheritance and she might well be the most valuable Daisy we have ever offered.

Marden Consort (Imp.)  
Light Roan, Sir P. Greenwell  
  
Adara Augusta Queen  
Red, F. Allonby

This mossy roan heifer has a double infusion of Marden Consort similar to the line breeding that has done so well for the Bolducs of Stavely. Her pedigree is the type you can depend on. Ballechin Lovely was undefeated showing in 1952 & 53 and the Augustas have been a very prolific family. Her sire is pictured below.

**HERD SIRE**

**LOUADA  
STATESMAN**

by

**Bapton  
Constructor**

Louada Statesman and Rockville Miss Ramsden 19L, dam of Lot 35.

We were very pleased to find that we have as many AAA classified cows as any herd in Canada.

We have been busy building our flocks of sheep back to fighting strength and we have not been able to exhibit at the shows nor to have our cattle in highly fitted condition. This year we purchased Louada Broadcast (a light roan bull) from Louada to intensify the bone and ruggedness of the Constructors for the bull trade of the west.

I would like to point out that while the tops of our sale have sold from \$1,000 to \$3,000 it is natural to gain the impression that it takes a lot of money to buy in this sale. This is not true as the past records show the vast majority sold in the \$300 to \$400 range. Many of the best breeding animals have been sold at such figures and below.

This is a sale for everyone . . . a sale that no one can afford to miss.

**Phillip Rock**

Louada Broadcast is the color so necessary to produce great crossing cattle. Louada Sensation sired Louada Ranger, Reserve Champion 1957.

Bapton Constructor (Imp.) purchased by Louada Farms from Bapton at \$50,000. He is the sire of our 3 herd sires - Louada Broadcast, Louada Statesman and Louada Calypso. Constructor blood in your herd will be constructive breeding. His sons have averaged over \$4,000 to sell for a grand total of over \$300,000 and he is still going strong.

Rockville Diamond Jubilee and Rockville Jacobite - winning pair of bulls 1958 by Moray Jacobite, that made the \$1325 average at the 1959 Calgary Spring Bull Sale. Ruggedness and substance have been a byword with the Jacobite calves.
